"(Maple Creek) are all-rounders. We hired them to do acoustics for the ceremony, canapes and first dance as well as Mcing and Djing the night away. These guys have a smooth sound and are dedicated to learning any song you need them to. It was so nice to be able to dance our first dance to our song played live under the stars. From first booking right to the end of the night these guys were very accommodating, professional, friendly and helpful. Would happily recommend Cassie and Blake to anyone. Thanks again guys." - Michelle

WHO WE ARE

Q: What do you get when you mix talented musicians with a love of weddings & romance?

A: Maple Creek

Yep, one fateful evening a few years back, Cassie & Blake - founders of Maple Creek - were talking over a glass of wine (where all the best conversations start). They loved playing venues around Sydney, but what they'd come to realise is that nothing could ever match the atmosphere of a wedding and how rewarding it is playing at one.

Being a true romantic (and long-time Disney fan), Cassie saw an opportunity to take the band from being one that happens to play weddings to one that truly specialises in wedding entertainment and brings that extra bit of magic to an already special day. Not only delivering the right tunes, but a level of professionalism, organisation and presentation that makes the day a dream for the guests — and for everyone involved in making the day run smoothly.

"Music is a moral law. It gives soul to the universe, wings to the mind, flight to the imagination, and charm and gaiety to life and to everything."

Plato, Greek Philosopher

"Cassie and Blake are incredible musicians but also absolutely lovely people. After winning their ceremony music package at a wedding expo we quickly booked them for our whole day as we absolutely loved them! Everyone at the reception was in awe of how just two people could get such a party going. Cassie was a fabulous MC and made sure she took the time to get to know you, always responded to emails and was able to accommodate any requests we had (there were a few!). Thank you so much Cassie and Blake - our day was definitely accompanied by a memorable soundtrack!" - Meaghan

YOUR SONG CHOICES

When do they happen and how do I choose them?

With Maple Creek's wedding packages all your 'SPECIAL MOMENT' songs are your own choices.

PROCESSIONAL: As you or your partner (or both!) walk down the aisle.

This is a great time to have a song played that has special meaning to both of you; maybe it's a song that was playing at your first date, or the one that was playing at the proposal, or maybe it's just one you've had your heart set on for many years.

Popular Choices: Marry Me - Train, A Thousand Years - Christina Perri, Perfect - Ed Sheeran

SIGNING OF THE REGISTER: The song that's played whilst you and your partner are signing your official papers.

This can be long enough for 2 songs or one long one that Maple Creek can expand as needed on the day. A choice similar to your processional is a great one. Something romantic to set the mood.

Popular Choices: At Last - Etta James, Can't Help Falling In Love - Elvis Presley

RECESSIONAL: The song that's played while you both leave the ceremony as newlyweds!

This is a great time for an upbeat 'happy' song. After all, it's a pretty happy thing that just happened! Something fun that you both like is a great choice.

Popular Choices: Happy - Pharell Williams, Crazy Little Thing Called Love - Queen, Signed Sealed Delivered - Stevie Wonder

FIRST DANCE: Your first dance together as newlyweds.

This can be choreographed or you can both just wing it! It's about you and what you feel comfortable doing. If you want to mix things up a bit you could do a fun number in here or maybe half-half. Chat to Cassie about how to create your perfect musical number.

Popular First Dance Songs: If I Ain't Got You - Alicia Keys, Everything - Michael Buble, Can't Take My Eyes Off You - Frankie Valli

DINNER & DANCE MUSIC: During your reception Maple Creek draws from their song list and works off the crowd during the night.

"Cassie and Blake are both insanely talented and set such a fun and relaxed vibe for our wedding, they were so professional and our guests raved about their performance. Cassie and Blake - thank you both times a million, you really made our night truly special! xoxo" - Alyssa & Gavin
